

2018 Vendor Application

TosaFest is a family friendly event featuring great local, state and national bands as well as some of the area's best food and beverage vendors. Activities include inflatable rides, a petting zoo with camel rides, art fair, free kids activities and a chili and cupcake competition. Our vendors do very well and our vendor return rate is high. New vendor spaces for 2018 are limited due to our new location at Hart Park.
